

BIRTHDAY BOOK CLUB

**Celebrate your child's birthday by adding
a new book to the library in honor of them!!**

With your \$20 donation, your child will be able to select a special book from our wonderful collection of new library bound books with the help of Mrs. Penney in the Media Center. That book will be added to a "Birthday Book" section of the library. It will have a special bookplate inside the book to commemorate your student's birthday.

Return the bottom portion of this flyer to school by the 10th of the month of your child's birthday. (For summer birthdays, you may choose to celebrate at the beginning or end of the school year, or even a "half" birthday.) Your child will pick out their book during one of their visits to the media center during their birthday month and will be the first student to check out the book.

We cannot promise that your child will get a book on a specific day. It will be done during their birthday month or the month that you have chosen below.

June - Sept 20 birthdays will be done in September. Please have understanding that Mrs. Penney could be absent or busy on a certain day.

Student Name: _____

Grade: _____ **Teacher:** _____

Birthday Month & Day: _____

Summer Birthdays: _____

(Please write which month you would like your child to pick out their book in)
